1. It has been reported from Bolivia that during the last few months Communist propaganda originating in Europe has been received in surprising quantities. Prior to that time most Communist propaganda circulating in Bolivia originated in Mexico.
2. Bulletins from the World Federation of Trade Unions in Paris and the International Students' Union in Prague have recently been sent to Victor Hugo Libers. A booklet entitled World Student News printed by the International Students' Union in Prague was addressed to the Federacion de Estudiantes de Institutos Profesionales in La Paz, and two bulletins in Spanish prepared by the Information Service of the World Federation of Democratic Youth in Paris were received by Jose Pereira. Copies of an Information Bulletin issued by the Czechoslovakian Communist Party and of a form letter from the Committee of the World Congress of the Defenders of Peace in Paris were sent to Sergio Almaraz. All three of the recipients are known as radical leftists and suspected Communists.
3. One of the publications sent to Almaraz was addressed to him in care of Alicia Luksic, divorced wife of Luis Luksic, prominent FIR member and suspected Communist who has been in Europe since 1949. She holds a minor position in the FIR.
